

Missional Community Grant Application

Application deadline for fall is October 20. Deadline for winter/spring 2018 is January 20.

Before completing this application, consider the following criteria.

- Leadership must be SRPC members and have a team of leaders (2-5)
- Nurturing the gifts, passions, and creativity of our SRPC family to intersect in diverse ways with God's priorities and the needs of our community and city.
- Number of friends outside our church to be impacted through this investment.
- Stewardship of position, experience, assets, and relationships to bless others in word and deed working for the redemption and restoration of all things.

Please download this application, complete, and submit by email attachment directly to your MCAT members by the deadline above. They should get back to you within one week.

Applicants need to know that our goal is to empower SRPC members “on mission” to initiate specific projects whereby the good news of Jesus goes forth in both word and deed. We are looking to strengthen partnerships in the gospel, so we expect you to report how and where your missional community is making an impact. We may ask you to give an update on a Sunday morning or make a short video about your missional community.
