

Worship Training Class

Week 3 – Baptism and Communion

This week we talked about the two sacraments we celebrate in worship – baptism and the Lord’s Supper (communion). We discussed what they are and where they are talked about in scripture. Below are suggestions for how children can actively participate while these sacraments occur in worship.

Review

Baptism

- Watch, listen, and pay attention when a person is being baptized
- Pray for this person
- If a baby is baptized, help and love them in the nursery, at bagel time, outside of church

Communion

- Participate once a profession of faith has been made before your family and the church/elders
- If taking communion, pray before and after (make sure your unresolved issues with God or others has been resolved)
- If not ready for communion, walk up to the front with your parents as they get the elements. Pray with your family members when they partake in communion.

Next Week

NO CLASS – children will be in worship with parents to practice what we have been learning

Look at a bulletin on Spring Run website to prepare for worship (posted on Fridays). Prepare for worship and the Lord’s Supper

Upcoming Weeks

Oct. 4th – children in worship with parents – no class (Communion Sunday)

Oct. 10th – Music and Scripture

Oct. 17th – Sermon

Oct. 24th – Review Sunday
