

Children Explorer's Class Coming!

We are going to offer a Children Explorer's Class beginning Jan. 15th during the Sunday School hour. The Children's Explorer's Class is designed to help children understand the Christian faith in order to prepare to make a public profession of faith, join the church, and partake in their first communion as we celebrate the sacrament of the Lord's Supper. This class is normally for children from 2nd grade through 5th grade. If your child is outside these ranges please contact Brian Fletcher to discuss. The class is 13 weeks and participants will need to be committed to regular attendance and completing homework. Parents will be expected to help their child understand and process the curriculum at home. If your child is interested please sign them up by using the registration form below. You can return it to the church office or drop it in the offering basket.
