

Cold and flu season is upon us.

Please familiarize yourself with our wellness policy.

We admit healthy children! Please take care that your child does not have any of the following symptoms:

- A fever of 100 or higher in the last 24 hours
- A runny nose
- Eye drainage
- Coughing
- Diarrhea
- Questionable rash
- Vomiting in the last 24 hours
- Head lice
- Started antibiotics in the last 24 hours
- If you are unsure and think your child may be coming down with something, please do not risk the health of the other children.

If your child has a continually runny nose or rash due to non-contagious allergies or teething, please let us know. We realize that some symptoms hang on long after the child is no longer contagious. Children who are too sick for the nursery, but well enough to be at church, are welcome in the worship service. Please help us keep our nurseries healthy.

Thank You!

Spring Run Nursery
